## COMPARISON BETWEEN

Page loading time at the first visit to a web page,  
and page loading time after **vegeo.js** loaded

Web site <https://jazzbina.ba> is placed on a shared server (low cost), location Amsterdam, Netherlands.

Web page <https://jazzbina.ba/en/gallery/> shall be used for this comparison.  
Tests are executed both with Chrome and Firefox development tools.

### A) First time page loading – first visit to the web page

- cache emptied;

#### a1. Chrome dev. Tools

Last item loaded (user visible) is an image file (pr4index.jpg)

Chrome reports web page loading time of **956 ms**.

## a2. Firefox dev. Tools

Last item loaded (user visible) is an image file (cumurtam.png)

Firefox reports web page loading time of **955 ms**.

## B) Page loading time after powering of vegeo.js

<https://jazzbina.ba/en/home/> will be loaded first in order to initiate **vegeo.js**.

Then <https://jazzbina.ba/en/gallery/> is loaded for the first time:

### b1. Chrome dev. tools

First item loaded (gallery/ - xhr):

Queued at 12.75 s

Started at 12.78 s

Last item loaded (user visible) is an image file (h16.jpg):

Queued at 12.99 s

Started at 12.99 s

Chrome reports total web page loading time of **543 ms**.

This time, at the first visit to the gallery web page, Chrome reports reduction around **43%** of the web page loading time when powering vegeo.js.

## b2. Firefox dev. tools

First item loaded (gallery/ - xhr)

Last item loaded (user visible) is an image file (latena.jpg)

Firefox reports total page loading time of **558 ms**.

This time, at the first visit to the gallery web page, Firefox reports reduction around **42%** of the web page loading time when powering `vegeo.js`.

### C) Second web page loading time after `vegeo.js` loaded + cache

Next visit to the web page (browser cache) shall give loading time of just several ms:

Only gallery - xhr is loaded:

#### c1. Chrome dev. tools

Chrome reported loading time around **26 ms**.

#### c2. Firefox dev. tools

Queued: 0 ms	Started: 0 ms	Downloaded: 0 ms
Request Timing		
Blocked:	0 ms	
DNS Resolution:	0 ms	
Connecting:	0 ms	
TLS Setup:	0 ms	
Sending:	0 ms	
Waiting:	0 ms	
Receiving:	0 ms	

Firefox reported **0 ms** web page loading time

**Observation:**

Although there are different page loading times for both browsers, significant **reduction of over 40%** of the web page load time may be observed.

Total reduction of web page loading time shall always be noticeable, and it can vary, depending on web site design.

**The web page loading time after contents cached is close to only several ms.**

In any case, user experience shall always be significantly better.

Please be free to test **vegeo.js** at <https://jazzbina.ba>

**Notice:**

<https://jazzbina.ba> site uses **jQuery** version of **vegeo.js**

<https://jazzbina.ba/en/home/> site uses pure **JavaScript** version of **vegeo.js**.
